GRADUATE SCHOOL

For the past eight years the Graduate School has been under the direction of Ernst A. Bessey. Dean Bessey came to Michigan State as a Professor of Botany in 1910. He served in the capacity of Acting Dean of Applied Science from 1927-1930 and in 1930 was appointed Dean of the Graduate School.

The Graduate School administered by Dean Bessey is comprised of about five hundred students, including the summer school enrollment. Advanced degrees offered at present by this college are of two classes: degrees earned by residence study which include Ph.D., M.S., M.A. and M.M. and professional degrees gained through non-residence study and attainments by graduates of this college. Each candidate for Ph.D. works under the direction of a guidance committee of three or more faculty members which are selected by the Graduate Council, and which will include in its membership the Professor in charge of the student's major work. A minimum of three years' full time work (144 credits) after the Bachelors' degree or two years' full time work (96 credits) after the Masters' degree will be required for the Ph.D.

Ernst A. Bessey, *Dean.*

EXTENSION

The Extension work of Michigan State College is the means through which information and services of the various departments of the college and of the Federal Department of Agriculture are made available to the people of the State. Work is organized and conducted as a cooperative enterprise under the terms of the Smith-Lever Act of 1914 and supplementary legislation. The four main divisions of the extension service in agriculture and home economics are the county agent work, boys' and girls' clubs, home demonstration agents' work and the work of the specialists representing the technical branches of agriculture and home economics. These forces work together in close harmony toward the common end of a more satisfying and complete rural life.

Blue Key, established on this campus nine years ago, is a service organization. The projects undertaken by Blue Key this year include such services as helping acclimate the freshmen during Freshmen Week, taking charge of the all-college elections, indexing the activities of all men students for future reference in the Dean of Men's office, and formulating plans for the dedication and running of the new men's dormitory.

Members for Blue Key are selected from those men in the Junior Class who are outstanding in both extra-curricular activities and scholarship.

Tower Guard members are selected from girls who have shown themselves outstanding in scholarship, leadership, character, and service throughout their freshman year. Tapped at the May Morning Sing, they serve during their sophomore year only. Each year Tower Guard presents, on the Student Achievement Day, a scholarship of fifty dollars to the most deserving freshman girl with a high scholastic average, who is at least partially earning her way through school. Among the activities of the year were a tea for town girls, a tea for alums and a Fall term dance at the Union.

EILEEN McCURDY

President of Panhellenic Council

Eileen McCurdy, from Okemos, is a Home Economics senior and a member of the Chi Omega sorority. In addition to the duties of the president of Panhellenic, Eileen was this year selected by the college R. O. T. C. as Honorary Cadet Colonel. She has served on Student Council, A. W. S. Council, Y. W. C. A. Junior and Senior Cabinets, W. A. A. Board, and is chairman of the 1938 Senior Ball Reception Committee. Other activities in which Eileen has participated are Home Ec. Club and Green Splash.

The Panhellenic Council, composed of two representatives from each sorority, is the governing body of all sororities on campus. It strives to promote friendship among the various organizations and legislate problems which arise.

The Council's many activities include the regulation of all formal rushing parties, the annual Panhellenic Banquet, the Panhellenic-Interfraternity formal, the Intersorority Sing, and this year a combined dessert-bridge and style show to raise money. Each year the organization presents an award to the sorority having the highest scholastic average and a trophy to the group having the most original homecoming decorations.

WILLIAM D. BELL

President of Interfraternity Council

Bill Bell, from Lansing, is a Hotel Ad. senior and a member of the Hesperian fraternity. In addition to his duties as president of the Interfraternity Council, Bill's name is on the roll of the Varsity Club, Sigma Gamma Upsilon, and Excalibur. He has been on the Varsity Swimming Team for the last three years, serving as co-captain for 1938.

Art Freeman, Student Council Representative

The Interfraternity Council is composed of one member from each of the campus fraternities recognized by the college faculty committee. The purpose of the Council is to bring the faculty committee and the fraternities together in order to promote understanding, harmony, and cooperation between the fraternities themselves and the college.

All interfraternity athletics are organized and supervised by the Council, with individual awards in each sport as well as an All-Around trophy which is presented to the house having the highest total of points at the end of the year.

Other Council awards include the scholarship trophy, the scholarship improvement trophy, and the plaque awarded to the pledge class having the highest average on the Fraternity Week pledge examination.

The Council is sponsoring again this year a convocation of I. F. C. members from the leading colleges and universities in the East and Middle West. Our council is achieving national recognition through this work.

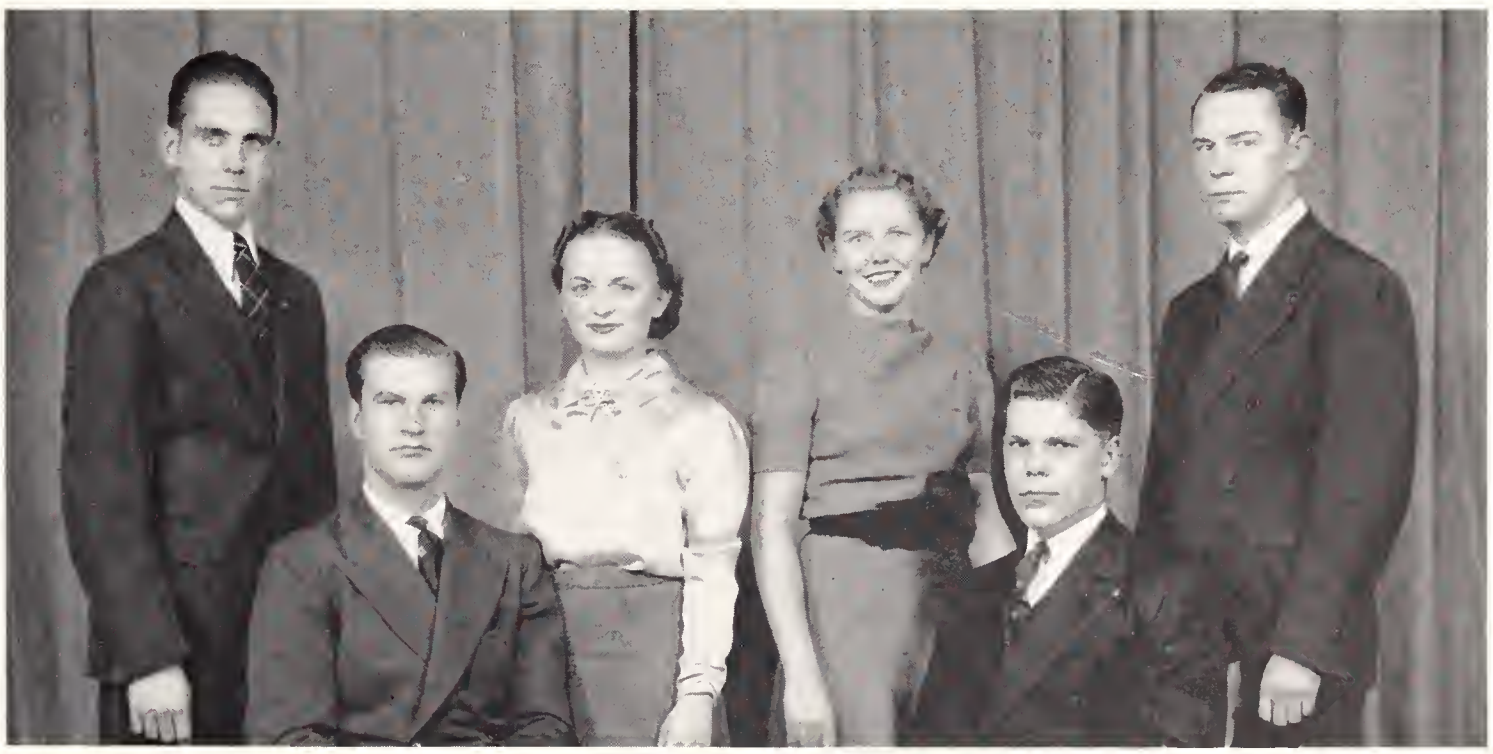
Sponsoring student activities, and encouraging organizations to take advantages of facilities offered by the Union has been the aim of the Union Board this past year. Freshman mixers, regular bi-weekly tea-dances, frequent Union dances, the annual pre J-Hop dinner dance, and an all-college amateur show which was put on winter term constitute part of the work of this group which is composed of members from the Sophomore, Junior, and Senior classes. Newly redecorated organization rooms placed at the disposal of any college group, the addition of a newspaper reading room, and ping pong tables are several other new features introduced this year.



K. Waite, D. Garlock, M. Gunn, D. Granger.

The Board of Publications at Michigan State College is an organization which directs the activities of the three student publications, Michigan State News, Wolverine, and Spartan.

Its Membership consists of the editors and business managers of the three publications, the co-ed editor of the State News, president of the Student Council, president of A. W. S., College Treasurer, Alumni Secretary, Head of Publications Department, and Faculty Adviser of Student Publications.

The Board is held responsible for the supervision of the editorial policies of student publications officially recognized by the college. It appoints the editors and business managers and approves other major staff selections. In addition it keeps a check on the operating budgets and expenditures.

B. Core, J. Hays, N. Farley, H. Harrington, O. Gelzer, B. Smith.

The Michigan State News became a tri-weekly, issued Tuesday, Thursday, and Saturday mornings this year. Reorganized at the beginning of fall term the paper has served East Lansing as well as the college, a combination which is almost unique in collegiate newspaper circles. The additional issue per week has necessitated an increased staff. As a result some seventy-five students have comprised the editorial staff, working under the direction of Ola Gelzer, first woman editor of the State News. Twenty-five other have been members of the business staff, headed by Robert Refior.

Ray Turner was elected managing editor and Victor Spaniolo was named business manager by the Board of Publications, March 1, 1938. They will direct the paper spring term and next year.

"There Were Ten Pretty Girls . . . . . ." and LIFE MAGAZINE printed their picture. People in Philadelphia, Kansas City, Utica, New York, Netherlands, West Indies, and the Fiji Islands, all agreed that it was by far the most beautiful publication staff in the country. And so, "The Ten Pretty Girls", working with some thirty other staff members, have endeavored to give you a new, modern and different WOLVERINE. We have made the color . . . bright, the pictures . . . candid, the copy . . . sparse, the pages . . . many. We hope you enjoy it.

The Press Club has as its aim the furthering of the interests of various students in the journalistic field. Various speakers of prominence in journalism are brought to the campus by the organization. Each year the club sponsors the Publications Banquet which is attended by members of all the campus publications. At this banquet the various publication awards are given and the new publication heads are introduced.

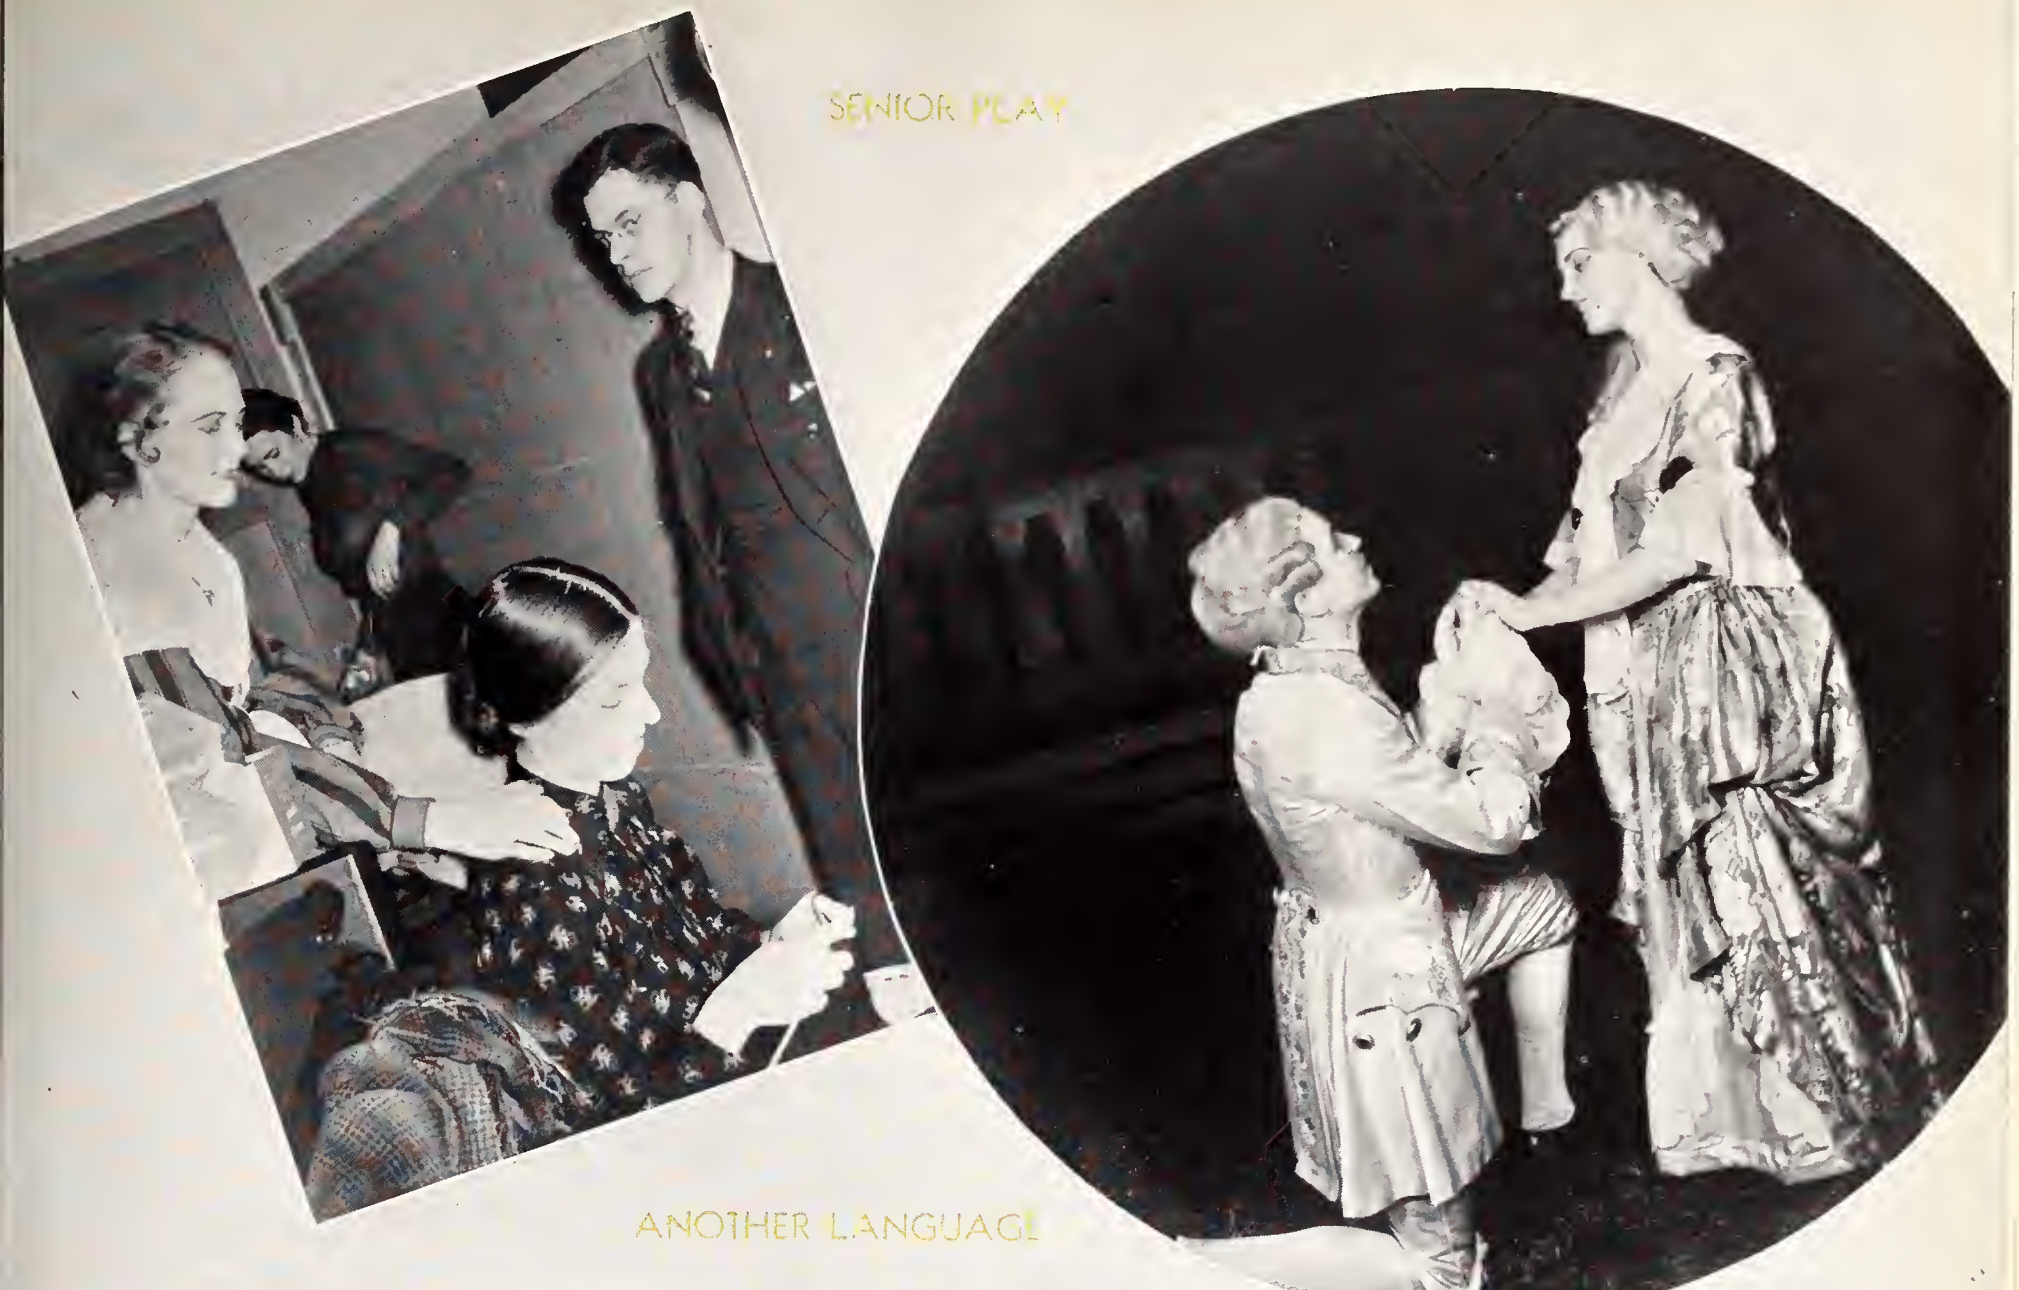
THETA ALPHA PHI

National Honorary Dramatics Fraternity

WILD DUCK

DRAMATICS

SENIOR PLAY



ANOTHER LANGUAGE

DRAMATICS

Dr. W. F. Thompson

Dr. Thompson was graduated from Hamline University in 1917 with the B.A. degree. After graduation he spent twenty-six months with the United States Expeditionary forces and later, over a year and a half with the United States Medical Corps in France. He was one of three Americans awarded the French Medaille D'Honneur for outstanding medical service in France.

After the War, Dr. Thompson spent eleven years on the road playing in road and in dramatic stock productions. Working with such prominent personages as Blanche Yurka, Florence Reed, Jean Dixon and J. Hammond Bailey, he played the roles of manager, director and actor in the prominent stock companies of the West.

Dr. Thompson continued his education at the University of Nebraska. Here he received his M.A. and later his Ph.D. degrees. After six years as an instructor at this university he came to Michigan State College in the Fall of 1936 as a member of the staff of the English Department. He later transferred to the Department of Speech and Dramatics and has since served as an instructor in that Department as well as director of the college dramatic productions.

Concerning the term plays presented this year, Dr. Thompson says, "one of the best modern comedy dramas ever written is "Another Language". When it was presented here on our campus, it was played by one of the best balanced casts I have ever seen in an amateur production. Ibsen's play, "Wild Duck" was very favorably received by both the students and the faculty. The depth of meaning of this play was remarkably portrayed by the student cast." Commenting briefly on the Senior Play, Dr. Thompson says, "the Senior Play, Shakespeare's 'Merchant of Venice', bids fair to be one of the most interesting productions ever given at Michigan State. A reconstruction of the Elizabethan Stage will be used, constructed under the able direction of Professor C. H.Nickle, who has designed the sets and had charge of the lighting for all the major dramatic productions in the past few years".

Sigma Alpha Iota is the oldest and largest women's professional music fraternity in the world. Its membership includes outstanding musicians in American and foreign countries. Members are selected on a basis of musicianship, scholastic achievements and character. The aims of the fraternity are to uphold the highest ideals of a musical education, raise standards of productive work among women students of colleges and universities, further the development of music in America, and develop a stronger bond between foreign countries and American for benefit of all its members.

During the past year, the local honorary music fraternity, Alpha Epsilon Mu, has completed arrangements whereby it has become a local chapter of Phi Mu Alpha Sinfonia, national music honorary fraternity. Members of the Albion chapter of Sinfonia assisted in the initiation and installation ceremonies of the Michigan State College group. During the past year, this organization has sponsored numerous musical events on campus. Phi Mu Alpha Sinfonia advocates more than mere fraternizing, it attempts to stimulate interest in music. To this end the Michigan State Chapter dedicates itself in years to come.

The Band Club was organized in 1920 as a disciplinary unit. Since that time it has widened the scope of its activities and now forms an active committee for all social functions of the band. The Club is composed of junior and senior members of the band who possess outstanding musical ability and are especially active in furthering the interests of the band as a social as well as a musical organization. The most important work of the Band Club is sponsoring the annual smoker, the Band Formal, and conducting a campaign for new members during Freshman Week.

The Y. M. C. A. started the year off by sponsoring their third annual successful Freshman Camp which was attended by over one hundred freshmen and campus leaders. Winter term a very successful Religious Lecture Series was presented in which representatives of the Jewish, Catholic and Protestant faiths spoke. Other activities of the year have been student-faculty firesides, educational trips, social service and peace promotion.

MICHIGAN STATE COLLEGE HOTEL ASSOCIATION

Back Row—R. Mummey, A. Knudsen, R. Taplin, H. Taylor
Front Row—S. Reed, B. R. Proulx, J. Lyon.

OFFICERS

G. Stanley Reed	President
Andrew Knudsen	Vice-President
June Lyons	Secretary-Treasurer
Robert Mummey	Business Manager
Robert Taplon	Executive Council
Howard Taylor	Executive Council

The Hotel Association is composed of all students enrolled in the Hotel Administration courses on the campus. The organization has proved its worth as an active force in promoting fellowship among the hotel students, in promoting good-will between the students and the hotelmen, and in providing an instructive program for hotel students. During the past year it was instrumental in bringing to the campus many prominent hotelmen, one of whom, H. Wm. Klare, vice-president of Statler Hotels, gave a series of five lectures to the students about hotel front office practice.

OFFICERS

Joe Shull	Master
Alvin Sterner	Overseer
Carl Moore	Stewart
Lenard Kyle	Assistant Stewart
Helen Ilkka	Lady Assistant Stewart
Bernice Cooper	Chaplain
Constance Clark	Lecturer
Marie Finlan	Secretary
Carl Kackstetter	Treasurer

Student Grange was organized at Michigan State College in 1928. It is a subordinate chapter of the National Grange which is the oldest and largest rural organization in the world. Its membership is composed mostly of Agricultural and Home Economic students. Regular meetings are held every two weeks during the school year. The purpose of the organization is to offer the students who are interested in rural life an opportunity to get acquainted and further their interest. This year's project is the sponsoring of the State Conference of the American County Life Association.

Row 4—H. Shapoe, F. Humel, P. Pennock, J. Long, J. Luther, G. Salsbury, G. Harland, M. Selder, H. Sparks, K. Pfister, J. Davidson, M. Derbyshire.
Row 3—D. LaBatt, W. Lohr, P. Rossman, B. Gilbert, W. Schroeder, J. Perotti, P. Holden, J. Conolly, K. Slee, G. Bird, G. Memmer.
Row 2—M. McMullen, J. Day, M. Courchaine, P. Shepard, L. Ludlow, G. Swanson, C. Moore, L. Kyle, M. Muncie, M. Gough, D. Whitney, V. Matthews, J. Davies, R. Arduin.
Row 1—B. Cooper, C. Clark, C. Maxwell, A. Sterner, J. Shull, C. Kackstetter, L. Coleman, H. Ilkka, B. Trickey.

STUDENT GRANGE

4-H CLUB

Row 4—R. Runzel, A. Ecklund, G. Rohlfs, J. Penoth, J. Shull, R. Schroeder, C. Moore, W. Koning, G. Gettel, R. Ely, D. White, E. Jones.
Row 3—C. Stewart, C. Pancake, J. Frith, C. Reid, N. Witte, W. Anderson, N. Thompson, H. Pederson, C. Johnson, L. Cook, A. Thayer.
Row 2—F. Degenaer, H. Honkala, J. Day, P. Clothier, E. Dershen, A. Brzoznowski, K. Benjamin, H. McCann, F. Elliott, B. Trickey, L. Leece, H. Shapoe.
Row 1—D. Moore, C. Davenport, L. Eggleton, W. Knox, C. Clark, M. Henning, R. Arduin, R. Lannen.

OFFICERS

Chester Clark . . . . . President

William Knox . . . . . Vice-President

Margaret Henning . . . . . Secretary

Rosina Arduin . . . . . Treasurer

Leonard Eggleton . . . . . Reporter

SPONSOR

M. H. Avery, Assistant State Club Leader

The college 4-H Club is a relatively new organization which developed through the interest students have taken in securing training in the educational, social, and recreational leadership of rural youth. The club is composed of former 4-H Club members and other students, both long term and Short Course, who are interested in this work. During the past year this club has been one of the fastest growing organizations on the campus. The Club's main project is the weekly 4-H radio program over the College Station WKAR.

Purposes:

To function as a group which is a member of the national organization and carry on activities similar to those of the national organization.

To acquaint the electrical students with industrial conditions through bringing in speakers from industry and inspection trips through various plants.

To encourage students in the preparation of technical papers and exhibits.

To encourage a friendly relation between classes and faculty.

To give students a chance to plan meetings and assume responsibilities similar to what will be required of them in the future.

The program this year has been devoted to acquainting the student with the different fields of electrical engineering through obtaining speakers from the various fields.

Trips to construction projects and discussions of these projects constitute one of the main functions of the college chapter of the American Society of Civil Engineers. Besides taking inspection trips the Society has heard several prominent engineers talk on subjects of interest. The A. S. C. E. endeavors to be helpful to its members in matters regarding civil engineering, but in the way of a social nature a party was held fall term in the Forestry cabin; the Society also had a touch-football team during the same term. This chapter is a student affiliate of the American Society of Civil Engineers.

Xi Sigma Pi, organized in 1908 at the University of Washington, recognized and fosters scholarship in various school of forestry. Beta Chapter was installed at Michigan State in 1916. Xi Sigma Pi sets an excellent standard of qualifications, including high scholastic standing and a reputation for honesty, sincerity and friendliness. Candidates are selected largely on the basis of professional promise. This year Beta Chapter sponsored a bird-feeding project and promoted a new forestry publication, The Michigan State Pine Needles. Members maintain an active interest in the Forestry Club.

Pi Alpha Xi is a national floricultural honorary for men students majoring in Floriculture. The group holds meetings once a month during the school year. This fall four men were initiated and the organization entertained all Floriculture students at a venison dinner. During Farmer's Week Pi Alpha Xi designed a naturalistic garden scene. As another activity the fraternity sent a flower judging team to the National Flower Show at Toronto, Ontario.

Founded in 1923 by a group of students in the Applied Science division, Tau Sigma has as its purpose the recognition of undergraduate students who have attained a high scholastic average. It encourages high scholarship among the college students and chooses from them for its members those who have attained an average of at least 2.15 in the Liberal Arts and Applied Science divisions. Each year the organization awards a prize to each of two sophomore students who have made the highest average in two divisions respectively. Tau Sigma also edits a pamphlet, "Study Hints", to aid the college student in increasing the effectiveness of his study.

F. Martin, J. De Haan, L. Carlson, J. Shaw, R. Huston.
R. Wilcox, R. Felberg, D. Garlock, M. Morrison, Pratt, B. Houtz.
J. Erway, K. Foster, B. Tranter, B. Brattin, N. Boettcher, E. De Haan, J. Miller.

La Cofradia, Spanish honorary, is composed of students who have maintained a "B" average in Spanish for two years. Frequent meetings are held at which members participate in Spanish games, plays and celebrations. Several lectures were given on the conditions in Spain. One of the major activities of the club was a radio broadcast given in Spanish in which the Albion college Spanish group and this group participated together.

M. Garces, J. Olive, L. Hanna, S. Blackney, A. Leathers, H. Merdler.

The Sigma Gamma Upsilon Fraternity is the honorary society of the Hotel Students of Michigan State College. It was organized to promote better feeling between the students and the Hotel men. The Fraternity brings speakers to the campus for discussions of what the students may do to prepare for their place in the Hotel world. Actual Hotel experience is one of the requirements for membership. Their activities include an annual trip to the Mid-West Hotel Show held each winter in Chicago.

Company D, Third Regiment

MILITARY SCIENCE

The setup of the R. O. T. C. department at Michigan State College has been a unique one for the 1937-1938 school year. Over this period of time the department has three Colonels in charge of the unit. Colonel S. D. Smith was granted sick leave early in the year and Colonel C. T. Marsh was temporarily appointed P. M. S. and T. to fill the vacancy left by Colonel Smith. During Winter Term, Colonel Fred D. Griffith, Jr. was appointed to the post of P. M. S. and T., allowing Colonel Marsh to resume his regular duties on the Military department staff. Colonel Griffith has remained as active head of the department since his appointment.

Athletics

TRUE ATHLETE.MEN WHO WOULD PLAY THE GAME TO WIN

ATHLETIC DIRECTOR RALPH YOUNG

To athletic director Ralph H. Young rightly goes much of the credit for Michigan State's athletic prowess. In addition to his administration of Spartan athletics, Director Young also serves as coach of the track team, which, like the athletic department as a whole, rates with the best in the nation.

VARSITY

Top Row—Hill, McLaughlin, Rapes, Adcock, Brightman, Caluory, Lueck, Waite, Carr, Beaubien, Aldrich, Springer.
Middle Row—Grantham, Halbert, Bell, Sims, Miknavich, Gaines, Swartz, Schroeder, Jenkins, Green, Gardner.
Bottom Row—Heppinstall, Gortat, Olman, Kraft, Speelman, Sparks, Pingel, Black.

The Varsity Club is an organization of outstanding athletes. The major Spartan "S" is a requirement for membership and therefore only men who have proved their prowess are eligible. Every man who becomes a member of the Varsity Club is awarded a life pass to all athletic events played on Spartan soil.

The Varsity Club showed its social inclinations when it presented the Varsity Club formal at the Masonic Temple, with dancing to the music of Louis Panico. The party was a top-notcher in the whirl of winter term formals.

CAPTAIN SPEELMAN

To Harry "Fire Chief" Speelman, congenial Lansing senior, goes the triple honor of being awarded the "Most Valuable Player's Award", the presidency of the Varsity Club, and the Captaincy of the 1937 Spartan Football Team. When such honors are heaped upon a man, it can only serve as proof that he's a swell guy as well as an inspiring leader.

HEAD FOOTBALL COACH CHARLES BACHMAN

The continued success of "Charlie" Bachman as head coach of the Spartan football machine has finally reaped for State the gridiron acclaim of the nation. During the past season "Bach's" coaching genius brought to State the distinction of being the first to humble the Wolverines for four consecutive years, and his nation-wide prestige as a coach resulted in a Spartan squad taking the field for the New Year's Day Orange Bowl Game.

SPARTAN MACHINE HUMBLES MICHIGAN

40 PRANCE, FEW SCORE

Spartans Cross Goal Only 3 Times

By JOHN McMANIS

East Lansing, Mich., Sept. 25. —Michigan State College's football team did the expected today and beat Wayne University's hard-fighting eleven, but not with the ease that State Supporters expected. State scored three touchdowns and made one goal after touchdown for 18 points, while Wayne, never inside the State 35-yard line, did not come near scoring.

State ran wild in midfield, gaining 310 yards running the ball and 165 by passing for 22 first downs, but the three touchdowns came hard. Two were scored on passes to State ends, Walter Nelson and Ernest Bremer, and the third by using Haney on a five-yard plunge. Leslie Bruckner, third string fullback, down.

Wayne went into State territory twice. An 80-yard punt by George Gembis, which was downed on State's 10 yard line, gave Wayne an opportunity in the second period. Gene Ciolek's return punt went only to his 40-yard line and a 15-yard penalty against State put the ball on the State 25, but a Gembis pass was intercepted and the threat ended.

Wayne's Other Chance

Wayne went past midfield for the second and last time as the third quarter started.

A sophomore halfback, who passed virtually unnoticed in Wayne's early practice, Don Hobbs, from Cooley High School, made the play. He took the punt from Jack Pingel on his 30-yard line and ran past the 50-yard line to State's 39, but Wayne couldn't sustain the attack and the ball was soon in State hands in Wayne territory.

Wayne made but two first downs. The running game netted Wayne 73 yards and a single completed pass was good for four more. Wayne tried only five passes. State, attempting 25, completed 13.

MICHIGAN STATE WINS 4TH IN ROW BEFORE 71,800

By ARCH WARD
(Chicago Tribune Press Service)

Ann Arbor, Michigan, Oct. 2. —Michigan fight was inadequate against Michigan State might and the Spartans from East Lansing today won a blood and thunder football game, the like of which hasn't been seen by the present generation of students at Ann Arbor. The score was 19 to 14, but it hardly represents the margin of superiority for the victorious eleven.

This was State's fourth straight triumph over Michigan, the first time the Wolverines have lost four in a row to any opponent since the turn of the century. Considering the tenderness of the season, the Spartans played brilliant football. Their timing was right, their blocking effective. Their machine like precision at times was almost too mechanical. When they really turned on the power, the Wolverines were a lot of disorganized kids trying to stop the flywheel of a powerhouse with bare hands and belting bodies.

Wolverines are Promising

A record opening day crowd of 71,800 saw the battle. The Michigan partisans were silent as they marched back to town through the gorgeous tapestry of autumnal foliage, but nobody was crabbing the play of their warriors. Stronger teams than Michigan probably will lose to Michigan State before gridiron cleats are hung up for the year.

Michigan's 1937 eleven will be no Big Ten doormat. Defensively the team is bright, brave, and belligerent. Repeatedly it stopped State today in the shadows of its own goal. And Michigan today introduced a young man named Hercules Renda, who is going to terrify opponents somewhere along the route. Renda runs, blocks, and catches passes like a seasoned expert, although this is his first year of intercollegiate football.

State Threatens Early

Michigan gave the stronger eleven from East Lansing all the fight and fire it had, but there were too many guns on State's side and the Spartans

MANHATTAN REGISTERS UPSET OVER SPARTANS

FUMBLE WINS FOR STATE

Inspired Manhattan Team Checks Spartan Offensive

Michigan State suffered the inevitable letdown after the Wolverine game and fell victims to an aroused band of Manhattan Jaspers who pushed the Spartans off the unbeaten trail 3 to 0 at Ebbets field, Brooklyn.

In addition State has probably lost the services of Walter (Ole) Nelson for the Missouri game this weekend. Nelson pulled a shoulder muscle late in the last period of the Jasper game.

The only score of the game came in the last minute of the third quarter when Ed Kringle, Jasper right half, booted a field goal from the 15 yard stripe. The Spartans were off their usual fine play, bowing to the Manhattan men who bewildered Coach Charley Bachman's team with a tricky 5-3-2-1 defense.

Johnny Pingel, Spartan ace, demonstrated to the eastern grid critics a brilliant display of booting, averaging 52 yards to the kick. The deciding break of the game came in the third period. Soon after the quarter opened, Pingel running from kick formation ran to a first down at midfield. Forced to punt, Pingel's boot rolled out on the one foot line. Then Kringle of Manhattan kicked from the end zone to Halbert, State safety man, who made a try for the ball fumbling. Zuck, Jasper guard, recovered on the Manhattan 40.

The Jaspers after running the ball for little gain punted to State's 25. Pingel flipped a short pass to Frank Gaines, but the ball slipped from his fingers, Manhattan recovering.

MICHIGAN STATE BEATS MISSOURI ON FUMBLE, 2-0

Columbia, Mo., Oct. 16—The University of Missouri had a defense today for everything except its own fumbles and bowed to Michigan State for the second straight year, 2 to 0. The Big Six Tigers, who lost to Michigan State, 13 to 0, last year at East Lansing, were outcharged 263 yards to 57.

Don Johnson, Missouri half back, was tackled with Michigan State's third period kickoff on the Missouri seven yard line. Behind the goal line Full Back Porter Robb took a wobbling pass from center, dropped it, picked up the ball and was pinned for the two points by Mike Kniek, Michigan State end, from Whiting, Ind.

Missouri failed to threaten but, led by Huston Betty, center, threw back a series of Spartan marches in the last two periods.

Michigan State tried two field goals in the first half, neither of which was close.

Eugene Ciolek, Michigan State back, was the spearhead of a 60 yard march which led to a first down on Missouri's two yard line immediately after the safety was scored. Diebold, Haney and Pearce bounced off the Missouri stone wall in turn, however, and Ciolek's pass was incomplete.

Missouri, carried to the Michigan State 36 yard line in the third quarter and to the 38 yard line in the final period. Lineups:

Mich. State (2)		Missouri (1)
Diehl	L.E.	C. Nelson
Speelman	L.T.	Heidel
Gortat	L.G.	Simon
Alling	C.	Betty

State Overpowers Marquette In Last Quarter Rally

Spartan Goal Line Uncrossed

Michigan State Is Victor, 21 to 7, Over Marquette

Pingel Runs 80 Yards For Last Touchdown

East Lansing, Mich., Oct. 23. —(Special)—Michigan State's power, throttled for two weeks, was unleashed in the fourth quarter as the Spartans turned back Marquette University, 21 to 7 today. A crowd of 15,000 saw the two teams battle on almost even terms for the first three quarters. State lost several scoring opportunities through loose ball handling.

The victory enabled the Spartans to take the lead in the present series between the two schools. The four previous games were divided evenly, with the margin of victory in each case being six points. Marquette, packed by a sophomore quarterback, Andrew Bakula and Ray Sonnenberg, fought the Spartans to a standstill until that last quarter when a driving attack brought two touchdowns.

After State had suffered setbacks because of fumbles in the first quarter, Jack Pingel, spearhead of the Spartan attack, tossed an 18 yard pass to Gaines, who was downed on Marquette's 11 yard line with one minute left to play. Pingel crashed over from the six yard line for the first score. Brucknew added the extra point from placement.

Sonnenberg Fumbles

Marquette made its bid to score at the start of the second quarter but it ended abruptly when Sonnenberg dropped Bakula's pass on State's 15 yard line, with a clear field ahead. Neither team was able to advance into scoring position during the remainder of the quarter. Early in the third quarter Bakula intercepted Pingel's pass intended for Gates in mid field

Kansas Loses To Spartans, 16-0, As Rivalry Ends

Michigan State Passes Bring Victory

East Lansing, Mich., Oct. 30. —(Special)—Michigan State terminated its football relationship with the University of Kansas today at Macklin field before a crowd of 10,000 with a 16 to 0 victory. After being held in check for the first half, the Spartans broke loose in the final twenty minutes to overwhelm the invaders. Gene Ciolek, who replaced Jack Pingel in the State lineup, started tossing passes with but a few minutes left in the third quarter. The first was to Mike Kinek and was good for eleven yards. A twenty-eight yard fourth down pass from Ciolek to Jack Coolidge moved the ball to Kansas' 19 yard line. Ciolek then fired another pass to Kinek good for nine yards. Two line bucks by Ciolek advanced the ball to the 3 yard line and on the first play of the last quarter Ciolek crashed over for the first touchdown. Bruckner kicked the point.

A fumble by Clarence Douglas recovered by State on the Kansas 16 yard line placed the Spartans in position to score a few minutes later. A pass, Pingel to Ole Nelson, was incomplete in the end zone, Kansas taking the ball on its 20 yard line. Nelson broke through and blocked Cadwallader's kick for a safety.

Charles Warren then attempted to kick off for Kansas but his effort was poor and Dave Deihl recovered for State on the Jawhawkers' 43 yard line. Deihl, on an end around play, picked up sixteen yards. Pingel then tossed a pass to Nelson for the final touchdown. Bruckner again kicked the points. Lineup:

Kansas		Mich. State
Hardacre	L.E.	Bremer
Bosilevac	L.T.	Speelman

Victory March Continues As Unbeatable Temple Falls

Spartans Win Homecoming

Rally Tumbles Temple Eleven from Unbeaten

Pingel-Nelson Pass Wins Uphill Fight For Spartans

By CHARLES P. WARD

Philadelphia, Nov. 6—A game, hard-fighting Michigan State football team came from behind here today to had the Temple University warriors of old Glenn Scobey Warner their first setback of the season. The score was 13 to 6.

Refusing to become discouraged after their opponents had scored a touchdown in the second quarter after completing a 34 yard pass, the Spartans ripped and tore into the Owls until the feathers flew and put across two tallies in the fourth period to put the game in the bag. Les Bruckner failed to convert on the first touchdown but made good in his second attempt.

It was Helge Pearson, alert right tackle, who gave the Spartans the opportunity to get the touchdown that tied the score. When Allen Nichols attempted to get off a punt from his own five-yard mark, Pearson smashed through and blocked the kick.

McShannock Covers Ball

Tom McShannock, the slambang center from Muskegon who did not win his job until last week, did the rest, falling on the ball over the goal line. The Spartans second touchdown climaxed a 70-yard march down the field, a march in which the guys from East Lansing clearly demonstrated their superiority over the Owls.

The final stroke was a nifty

By SAM GREENE

East Lansing, Mich., Nov. 13.—On the forward passing skill of John Spencer Pingel, the Michigan State College football squad rode to a 13 to 6 triumph over Carnegie Tech here this afternoon.

Both touchdowns, wildly acclaimed by a home-coming day crowd of 21,000 were direct results of Pingel's passes. The first was caught by Ed. Pearce, a sophomore substitute from Flint and the other by Walter (Ole) Nelson, the giant receiver from Chicago, whom Michigan well remembers. It was the closing contest of the home season for State and the Spartans had to come from behind to win this one, their seventh game of the year and their fifth in succession. The victory was the third over Carnegie since the two teams opened relations with a scoreless tie in a snow storm here four years ago.

Spartans Defeat Dons

Orange Bowl Goes to Auburn

Pingel Gets Loose For 2 Touchdowns

Star Halfback Leads Michigan State to 14-0 Victory at San Francisco

San Francisco—Michigan State shook loose Johnny Pingel twice in an open field Saturday to defeat University of San Francisco's Dons, 14-0, in their intersectional football clash before 25,000 spectators.

Pingel, as fine a halfback as had trod Kezar's turf this season, made his first break in the third period. Starting from his own 25 yard line he slipped through left tackle, shook off tacklers to the midfield stripe and then raced alone to the goal line.

Late in the fourth period the junior from Mt. Clemens, for whom Coach Charley Bachman claims an All-American rating, got loose again. Starting from the San Francisco 34, he found an opening at left tackle, swerved to the side line and crossed the line at the extreme corner.

Leslie Bruckner converted on the first extra point and George Kovacich made good on the second attempt.

Pingel's run climaxed a spectacular football game which found San Francisco getting only one first down, yet threatening seriously to score on three occasions. The home team's first chance came when Halfback Al Braga intercepted a Pingel pass in the first period and ran 50 yards to the Michigan State 10-yard stripe. The Dons, however, lacked scoring power and they surrendered the ball on an incomplete end zone pass.

In the second period, the San

Miami, Jan. 1.—Auburn of Alabama, defeated Michigan State 6 to 0 here today to become the first Southern team to win in the Orange Bowl, the three previous teams from the North, Bucknell, Catholic U. and Duquesne, having left Florida triumphant in three annual games preceding today's.

Auburn showed Michigan State the best line the current team has seen, three regular backs, Fenton, Kelly and Heath, who rand hard behind that line and a passing combination of two second-string backs. George Kenmore and Ralph O'Gwynne, who came up at just the right moment to snatch victory. Kenmore and O'Gwynne combined to score the touchdown early in the second period when Ken-

WOMEN'S ATHLETICS

- W. A. A.
- • GREEN SPLASH
- • • SCIMITAR

GREEN SPLASH

Green Splash, girls' swimming honorary at Michigan State College, was organized in 1927 to stimulate interest in swimming and to sponsor pool activities. Its outstanding function of the year is a gay, colorful pageant, presented each spring term. The splashers also sponsor all-college Date Nights and splash parties throughout the year.

Girls desiring membership in the organization have long hard swimming tests to pass both fall and winter terms. If they are successful, their names are submitted to the active members for consideration.

W. A. A.

A girl may become a member of W. A. A. after she has earned one hundred points, has acquired a C. average or better in her academic subjects, and has been initiated at one of the term luncheons. Once membership has been achieved, the girl must obtain at least twenty-five points each term to remain in the organization.

Some of the major events sponsored by W. A. A. are: an Intramural Program, Freshman Breakfast Hike, Hockey Alumni Game for Homecoming, Booth for Farmers' Week, and High School Basketball Playday.

Scimitar, an organization of women fencers at Michigan State College, was organized last fall to promote the art of fencing and to give its members recreation and practice in the sport.

Regular meetings are held every Tuesday evening under the direction of Miss Effie Erecson, club adviser. The members have represented Michigan State in matches with Wayne, Olivet, and the University of Michigan; and they teach beginning fencers in W. A. A. classes. Outside activities during the year have included picnics, parties and a match with the freshman men

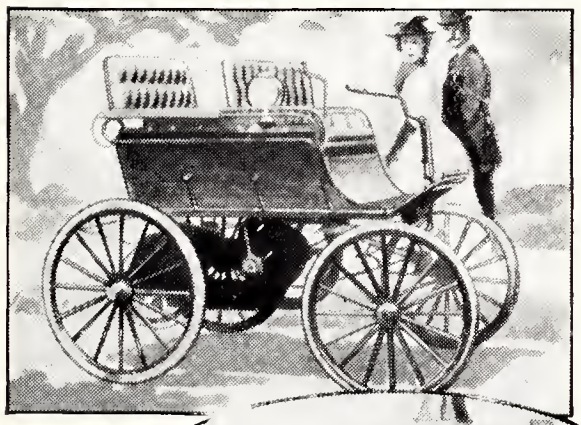
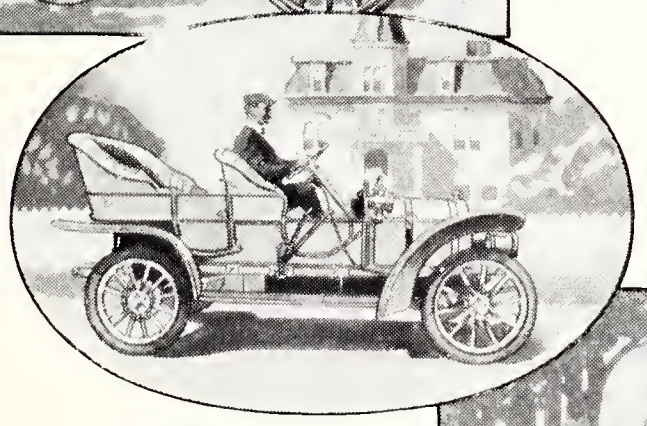
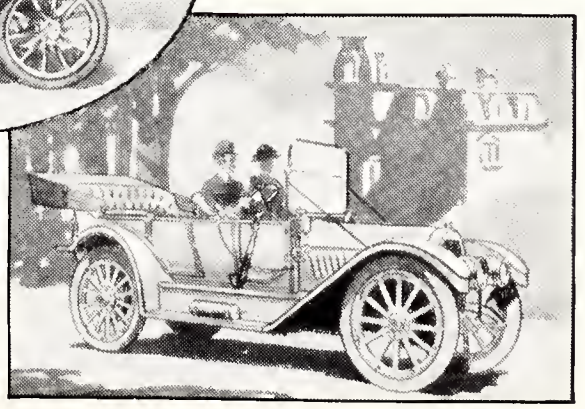
QUALITY MARCHES ON !







(*Above top*) Original, 1897 Oldsmobile
(*In oval*) The Oldsmobile of 1907
(*At right*) 1910 Oldsmobile Limited
(*Far right*) 1920 Oldsmobile Sedan

● Stand-out cars on the road today are the Oldsmobile Six and Eight. Their distinctive streamlined design is everywhere recognized as the Style-Leader styling. Their flashing, flowing performance is the last word in smooth, responsive action. Their modern features, luxurious interiors and roominess set them apart from all other cars of moderate price. Their all-round economy is known to thousands of owners. All these attributes of these two fine cars are directly traceable to thoroughgoing quality—quality engineering, quality materials, quality workmanship. The standards of Oldsmobile quality have persisted for more than forty years. They have never changed except to be advanced. Oldsmobile quality is at its newest peak today in the Oldsmobile Six and Eight. Drive an Oldsmobile and see for yourself!

SERVING 75,000 FARMERS

Sexton Service

OFFERS YOU

The only nationally advertised brand of foods prepared exclusively for the institutional market.

The security of endorsement by all the leading trade associations in the institutional field in the United States.

The facilities of the only wholesale grocery company operating plants in the two principal American markets — Chicago and New York.

As rendered by America's largest distributors of number ten canned foods, a distinctive service on a complete assortment of quality foods packed in this institutional size container.

Home recipe pickles, relishes and conserves from Sexton Sunshine Kitchens—delicious and appetizing.

Carefully selected coffees—blends resulting from years of careful study—roasted fresh daily at Chicago and Brooklyn.

Special quotations based on major purchases of exclusively institutional merchandise—sharing with you the advantages of a greater buying power.

SWITCH TO LUFKIN
for a longer-wearing Tape

When you choose a Lufkin "Michigan" chain tape you've chosen a tape that's built for hard service. The markings are deeply stamped in long-wearing Babbitt metal. The sturdy dull-nickeled reel effectively resists weather and wear. Every part of a Lufkin "Michigan" tape—frame, tape-line, handle and even the brass end-clips and leather thongs are designed and built for hard use. And records of their performance prove they can "take it."

See your nearest dealer or write for free illustrated catalog No. 12.

View showing State's new men's dormitory—Steven Thomson Mason Hall—under construction. Located on the eastern sector of the campus, it will provide housing facilities for 450 boys upon its completion September 1, 1938

Growing With State

Today we are proud of being the builders of another attractive dormitory for Michigan State College.

It indicates progress for Michigan State and for Reniger Construction Company; both satisfied with only superior workmanship.

The new building signifies growth at Michigan State College; it also signifies growth for us as it represents the third construction (the Anatomy building and Mary Mayo dormitory) that we have erected on the campus since 1929.
